Hydropedology

$$ SUMMER JOB $$

A motivated student helper is needed to assist research in environmental soil and water sciences in summer 2008. The job will continue in fall 2008 and in 2009. This job involves mostly outdoor activities, with some laboratory work. Full time or part time (20-40 hours/week). $8-$10/hour depending on qualifications and experience. Great opportunity for internship, senior thesis, or setting a foot inside the door for graduate school. Applicants must be good at following instructions and be responsible for reliable and quality work. If interested, please email Dr. Henry Lin at HUL3@psu.edu, with a copy of resume and transcript. Position will be filled as soon as a qualified candidate is identified.
